# THE WARRIOR

PRESENTED BY THE 1959  
SENIOR CLASS  
OF  
CHENANGO VALLEY CENTRAL  
HIGH SCHOOL

BINGHAMTON

NEW YORK

As in the days of old people looked to the Manor House for advice and inspiration so, today, the young people of our Community look to Chenango Valley High School.

As undergraduates we have planned our courses with the future in mind. In our time in history the practical side of life has been increasingly important. We desire to take no back-seat when knowledge, wisdom and capability is demanded of us. But there is another side of greater importance: our relationship to God and our fellow man. Here we learn the importance of cooperation, consideration for others through our activities and our many sports. Through these we hope to learn and to understand the meaning of leadership. As we will some day lead so today we follow the leadership of our faculty. These men and women help us to understand our capabilities and our aptitudes that we may some day benefit from their leadership and advice. Through their encouragement and their experience we are about to graduate as Seniors and to go on as representatives of an outstanding school: Chenango Valley High School.

To help us in the future to recall these happy and profitable days, we, the Staff, present the Warrior, the Yearbook of 1959.

Student Council is the core of student life since all activities are centered around it, or actually stem from it. It is excellent training for young people in government and its functions. Our Student Council is composed of eight officers and twelve class representatives all of whom sponsor dances after games, represent the school in conferences, and act as guides when necessary. It is in this body also that school problems are discussed and acted upon under the guidance of our school principal.

## SENIOR HIGH CHORUS

The Senior High School Chorus has 58 members this year. With the Senior Band, we presented a Christmas assembly program for the Senior High School.

Within the High School chorus, there are several ensemble groups: the Boys' Quartet, a Mixed quartet and "The 6 Teens."

These groups have entertained various organizations during the school year, including, the Senior Citizens of Binghamton, the Couples Club of High Street Methodist Church, a Woman's group of the Chenango Bridge Methodist church, the Couple's club of the Community Baptist Church and at the capping ceremony of the Medical Technicians at Broome Technical college.

The Senior Chorus with the Junior Chorus presented a Spring concert which we called "An Evening of Music." We hope to make this an annual event.

The Junior Chorus has numbered 100 this year. With the Junior High School band, we presented the Christmas assembly for the Junior High group and with the High School Chorus we presented "An Evening of Music" — the Spring Vocal Concert.

The "Jr. Hi Madrigal Singers" is a group of 15 mixed voices picked from the Junior High Chorus. We sang one number for the Vocal concert and are rehearsing every week, in case we are asked to sing at future school programs.

W-A-R-R-I-O-R-S!

Now take a moment to search for the true source of those "spontaneous" cheers. There they are, out in front of the crowd, our eight cheerleaders jumping, shouting, and clapping to keep up the spirit of the crowd. This year the cheerleaders have sold Warrior buttons and shakers to raise money for the squad and to continue to raise our already high, school spirit.

# C.V. AT AROUND THE

This class is full af squares.

There are many phases of life at C.V., including an academic one. "Around the Clock," students may be seen in various classes that study everything from the Romans to tasty cooking. It is here that we mold our ideals, form our opinions and learn to understand what is taking place around us. Each minute in our classrooms enriches our minds just a little bit more, until in our senior year we find ourselves ready to put whatever we have gained from our twelve school years into use.

# ... Passport to Better Living...

Graduation is your embarkation on a new life...possibly a new career. You can select no better "passport" to future security than a savings book. The money you save now can be your key to material happiness in your later life. It only takes a small amount to open a savings account at First-City...and it only takes small, regular deposits to make it grow.
